## TEMPLE VISITS

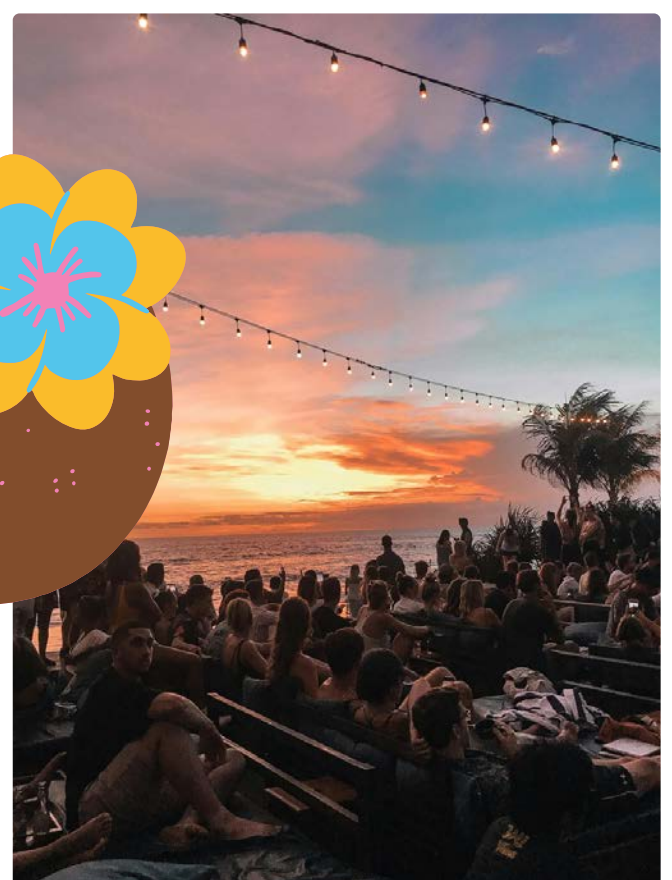

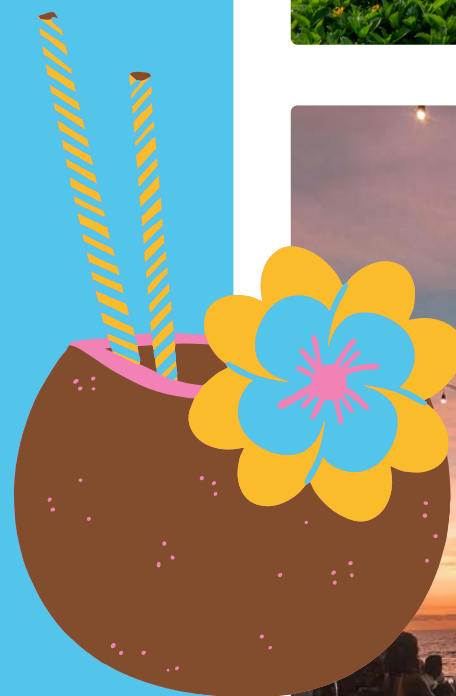

One of the best things about travel is learning about local cultures.

This morning we'll be heading to Taman Ayun and Tanah Lot, two of Bali's most famous temples.

Later, we'll be heading to Funky Beach Bar Lounge to start the party!

A cocktail watching the sunset! Yes, please!

Don't worry if you are not a big drinker, neither am I! It doesn't mean we can't have fun!

# DAY 3

## SURFS UP!

We're hitting the beach!

I had my first surf lesson recently. It was humbling but **SO MUCH FUN!**

So, whether you're a pro surfer or a complete beginner, jump in, we're going surfing!

We'll spend the rest of the day sunbathing and recovering from our fun on the waves.

Or we'll head to FINNS, the famous Bali beach club!

Ubud is one of my favourite places in Indonesia and we'll be here for 3 nights.

Relaxation, nature, artsy, and zen vibes, what more could we want!?

This evening we're heading out for live music and dinner.

Party animal or early night, it's up to you!

## COOKING CLASS & MONKEY FOREST

This morning we'll be doing a Balinese cooking class!

But, before we can cook, we need to get the ingredients...

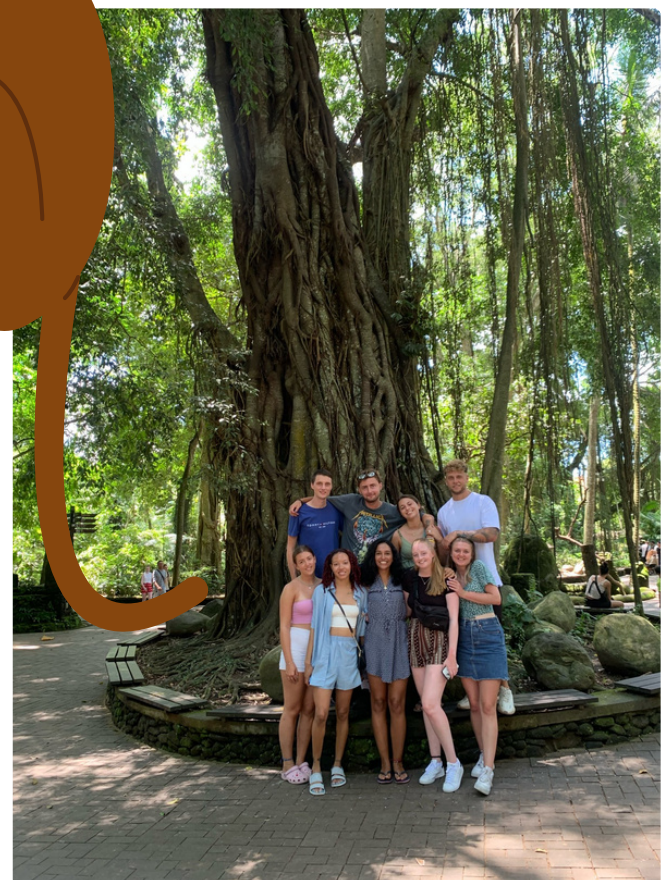

So, we'll be taken around Ubud's bustling food market learning about all the ingredients before cooking up a storm.

This afternoon we're heading to Ubud's sacred monkey forest!

Prepare to be shocked! The monkey's selfie game here is better than ours!

We'll head back and get ready for dinner, we're family now!

We're heading north to the UNESCO World Heritage site, Tegalalang.

The rice terraces here are even more stunning in real life!

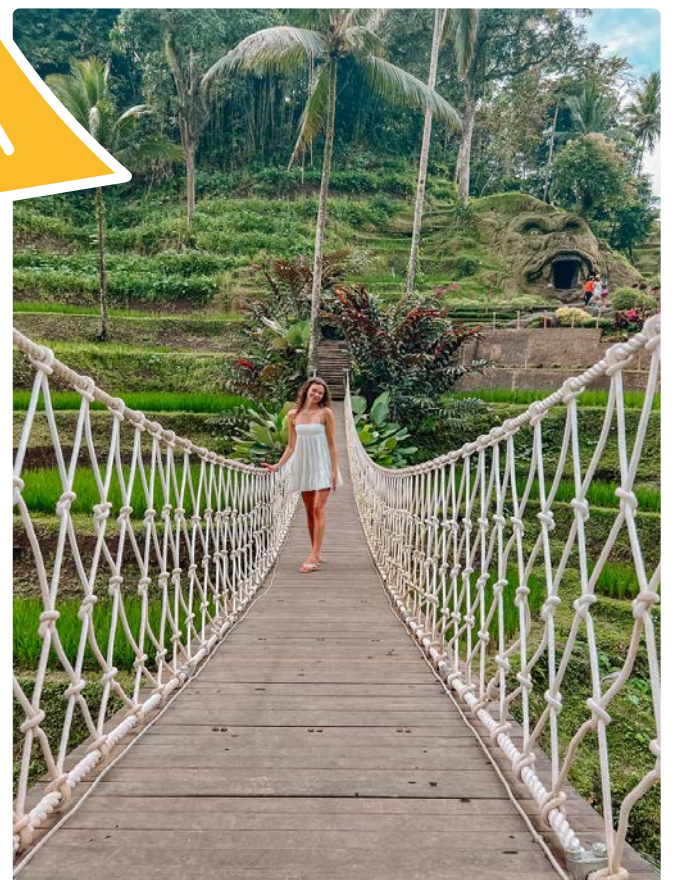

If you want to swing in a classic Bali swing, this will be the place for you!

Next up, we'll be off to the region of Kintamani where we will have lunch overlooking Mt Batur, an active volcano!

We'll finish the afternoon wandering around the local markets and/or relaxing by the pool.

Of course, in the evening we'll head out for dinner with the crew!

## GILI ISLANDS AKA PARADISE

After a ferry and a short bus, we'll arrive at the tiny island oasis of Gili Trawangan.

Here we'll find turquoise clear waters and golden sandy beaches! We'll all fall in love.

Check in, sip cocktails by the pool, and take a wander around the island.

Gili T sunsets are like no other! Sit back, relax, and take it all in before we head out for dinner.

Although it's a tiny island, Gili T has some crazy nightlife!

Get your best shit shirt on, we'll be going OUT-OUT!

# DAY 8

## ISLAND HOPPING

Just when you think it couldn't get any better...

There are not 1 but 3 Gili Islands and we're going island hopping!

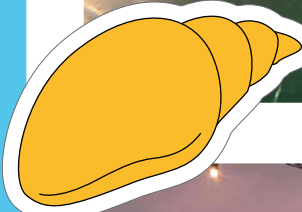

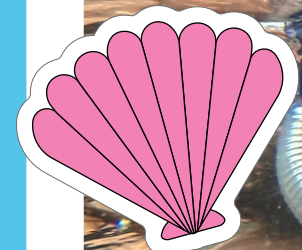

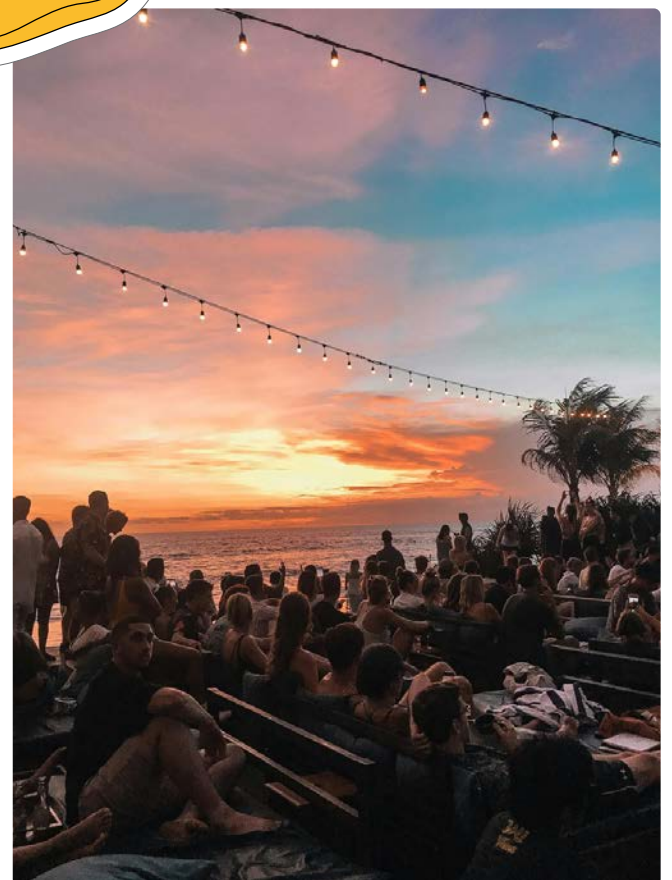

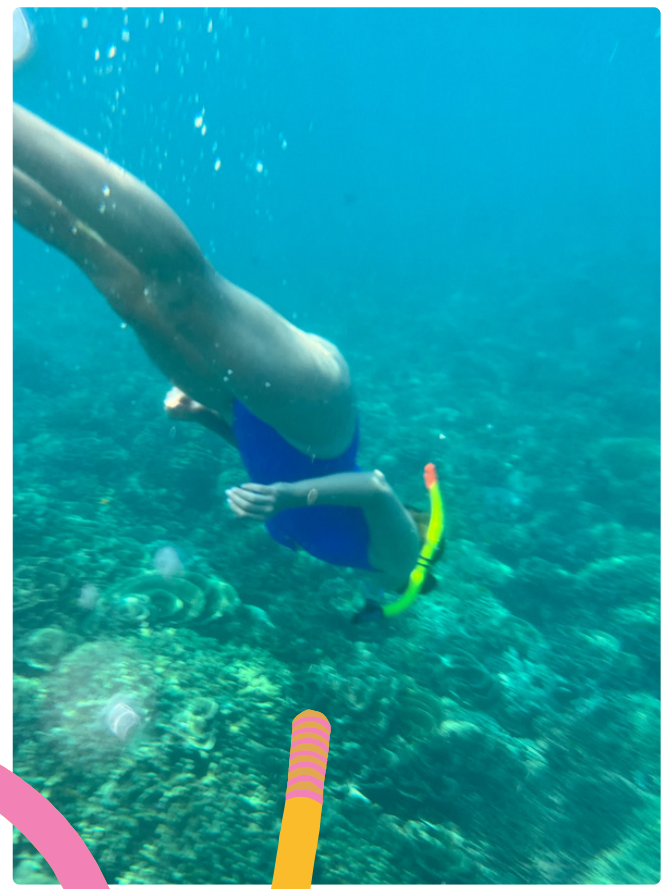

We'll be stopping at the best snorkelling spots around Gili Meno & Gili Air. Keep an eye out for a turtle or two as this is their place!

We'll grab a beachside lunch on Gili Air before heading back to freshen up before dinner!

Can you hack another night out?! I don't think I can haha!

Let's go for dinner and see where the night takes us...

## BIKE RIDE, GILI T

Gili T is tiny, remember... It's so small that it has no cars or motorbikes!

So today we'll be exploring by push bike!

Visiting the famous Gili T swings, grabbing a smoothie along the way and exploring Gili T's most secluded hidden gem beaches and watching the golden orange sunset go down.

It's our last night!

We'll get dolled up, head out for our farewell dinner and party to celebrate the most amazing 10 days of our lives.

Tru guarantee that at least one person will cry... It'll probably be me!
